Unique, all new runway system (trackless) is Rapid, Silent and positively jam-proof.

Main runway of table slides out in seconds for access to inside of table. NEVER again remove slate to clean the inside of a table.

Entire mechanism is contained in new compact, pull out service drawer. Absolutely no working parts on inside of table. CUE BALL LOCKS IN AT END OF GAME.

Service drawers are keyed alike for ease of route operation. One key opens both locks. Separate key for cash box. Full Plexiglass ball viewer.

Cushion moldings are held to top frame by hex head slotted machine screws that screw into 'T' nuts imbedded in cushion molding. No more broken screws or stripped wood, (special spin tight provided with all tables, fits rail screws as well as all other hardware) Aluminum molding between cabinet and top frame hides all screws.
