What's so different about the Texas Ranger?

PLAYFIELD

- Special texture tempered glass.
- Totally different ball action due to textured surface.
- Official playfield design screened under glass.

MEN

- Special compound, rigid, plastic men.
- Foot of men are perfectly flat on bottom and sides for exceptional ball control.
- Weight distribution of men allows for fantastic power shots.
- Counterbalanced men Available as option.

BALL

- A special compound ball to complement playfield.

GOAL OPENING

- Larger 8-1/2" goal opening for faster play.

RODS

- Heavy duty steel or fibreglas rods.

HANDLE

- Specially-designed, rubber handle. Also Available in wood.

ROD BUMPERS

- Heavy duty, rubber bumpers in place of steel springs.

CABINET

- One piece construction
- No top to lift
- No hinges to break

OPTIONS

1. The exclusive Irving Kaye "Super Bearing" is also available for those territories where a lightening-fast rod is desirable.
2. Two die-cast aluminum drink holders.
3. Counterbalanced men
